Mark Freel of the Ottawa County Community Foundation presents Pat Anderson, MGS principal, with a \$1,000 check.

## MGS receives after school grant

Minneapolis Grade School has been awarded a \$1,000 grant to support their after school program, Skills for School Success.

Mark Freel, representing the Ottawa Community Foundation, presented MGS Principal Pat Anderson with a check during the USD 239 Board of Education meeting.

The Skills for School Success program is held after school on Monday,

Tuesday and Thursday. Anderson said that between 40 and 50 students in grades three through six attend the sessions where they work on skill development and receive help with assignment completion.

"We greatly appreciate this grant," Anderson said. "With sources of funding becoming difficult to find, this grant will certainly help us continue the after school program."
